This program will be on Tuesdays-Fridays in June and July. The camp will be available for Ponca City Members (Full, Nonresident & Social) and open to the public. All different types of golfers from beginners to advance are invited to participate in this NEW, fun and exciting summer golf program.

THE CONCEPT & FUNCTION OF OUR PROGRAM

The primary goal for the Ponca City Junior Golf Program is to have fun while teaching/developing lifelong golfers. Our program will be offering instruction, activities, details on the history of golf, and observance of rules and etiquette. This program ensures that all participants are taught golf in a manner that promotes enjoyment, while at the same time hitting home the essential link between golf and interpersonal skills. Being able to allow junior golfers play golf to the best of their ability and to contribute to the personal growth of each junior by positive social and character values is our top instruction priority.
